Residents of South Africa

During Sales Phases 1, 2, 3 and 4, residents of South Africa can apply for [2010 FIFA World Cup South Africa \(official site\)](#) tickets in the following ways:

1. Paper ticket application form

2010 FIFA World Cup South Africa ticket application forms are available from all First National Bank (FNB) branches in South Africa. Fill out the form and give it a teller at any [FNB \(official site\)](#) branch across South Africa for processing. Pay the total value of the tickets included in your ticket application; you will then receive your FNB Visa Official Mascot Prepaid Card from the teller. The amount of your total ticket purchase is now on the FNB Visa Official Mascot Prepaid Card. Wait to receive an SMS confirming the outcome of your application (successful, partially successful or unsuccessful). If successful or partially successful you will be able to collect your tickets starting from April 2010.

Matches and prices

Match tickets

These are individual match tickets and are available for all matches (1-64). You can purchase a maximum of four tickets per match for up to seven matches.

Team-specific ticket series (TST)

These are ticket strips to follow the national team of your choice. Depending on which TST series you applied for, your TST series may include between three and seven matches and you may apply for a maximum of four TST series. If your team is eliminated and your TST series includes rounds after your team has been eliminated, your TST will remain valid to follow the team that progresses into the next round of the competition.
