CAPE TOWN

SAFETY ON THE STREET

Don't walk in deserted or dark areas.

Keep all possessions close to your body and in sight.

Don't use your cellphone while walking, and keep it - and your wallet - safely tucked away.

The use of headphones may distract you from what's happening around you.

Plan your route beforehand.

Avoid the obvious visibility of valuables such as jewellery, cameras, laptops and tablets.

Don't carry large sums of money and avoid counting it in the open.

Tell someone where you are going and when you expect to return.
